September 2023

EDUCATION

- Ph.D.** **University of California, Berkeley**, City and Regional Planning, 2001.
Fields: Transportation, Land Use, and Air Quality; Travel Behavior; Planning Theory
- M.A.** **University of California, Los Angeles**, Urban Planning, 1989.
Emphases: Natural and Environmental Resources and Transportation Planning.
- B.S.** **University of California, Davis**, Environmental Policy Analysis and Planning, 1987. *Emphases:*
City and Regional Planning, Energy, and Transportation Planning. Honors.

EMPLOYMENT

- Director**, Transportation Research and Education Center (TREC, formerly OTREC), August 2009 – present.
Director, National Institute for Transportation and Communities (NITC), January 2012 – present.
- Professor**, Nohad A. Toulan School of Urban Studies and Planning, Portland State University, 2012 – present
Urban Studies Program Director, Summer 2022 – present
Director, Fall 2015 – Summer 2017
Associate Professor, Fall 2006 – Summer 2012
Assistant Professor, Fall 2001 – Summer 2006
- Interim Vice President – Research**, October 2017 – August 2018. Portland State University.
- Director**, Center for Transportation Studies, Portland State University, 2007-2012
- Assistant Director**, Center for Urban Studies, Portland State University, 2004-2012
- Instructor**, Department of City and Regional Planning, University of California, Berkeley, Spring 2000 and 2001
- Environmental Planner**, Bay Area Air Quality Management District, San Francisco, CA. 1992-1998.
- Research Director and Project Manager**, Local Government Commission, Sacramento, CA. 1991-1992.
- Environmental Protection Specialist**, U.S. Environmental Protection Agency, Region IX, San Francisco, CA. 1989-1991.

DISSERTATION

- Travel Behavior and Older Vehicles: Air Quality Impacts of Voluntary Accelerated Vehicle Retirement Programs.*
September 2001. Committee: Professors Martin Wachs (Chair), Robert Cervero, Robert Harley.

REFEREED PUBLICATIONS

Refereed Book Chapters

Age-Related Shifts in Housing and Transportation Demand. Co-author with Margaret B. Neal, Nancy Chapman, Irina Sharkova, Alan DeLaTorre, Kathleen Sullivan, Tomoko Kanai, and Sheila Martin. Prepared for Metro, Portland, OR. August 14, 2006.

Jennifer Dill, *Regional Travel Options 2004-05 Program Evaluation.* Prepared for Metro, Portland, OR. June 29, 2006.

Connie Ozawa and Jennifer Dill, *An Evaluation of ODOT's Environmental Streamlining Efforts: A Focus on CETAS.* Final Report submitted to the Oregon Department of Transportation. November 2005.

Jennifer Dill, *Survey of Merrick TOD Residents Final Report,* prepared for Metro, Portland, OR, March 2005.

Co-author, with C.M. Monsere, C Newgard, A. Rufolo, E. Wemple, R.L. Bertini, and C. Milliken, *Impacts and Issues Related to Proposed Changes in Oregon's Interstate Speed Limits, Final Report,* Sponsored by the Oregon Department of Transportation, September 2004.

Principal Author, California Energy Commission, *Energy-Aware Planning Guide,* 1992.

PRESENTATIONS

Conference Papers and Presentations (not included in above categories)

Jennifer Dill, "The role of dissonance in travel behavior of transit-oriented development (TOD) residents." Association of Collegiate Schools of Planning, Toronto, Ontario, November 3-5, 2022.

Jennifer Dill and Cynthia Mohr, "Relationships between children's and parents' cycling attitudes & behavior." International Cycling Safety Conference, Brisbane, Australia, November 18-20, 2019.

Jennifer Dill, "Women of Color on Two Wheels." Women's Issues in Transportation conference, Transportation Research Board, Irvine, CA, September 10-13, 2019.

Jennifer Dill, "Why do girls' attitudes about bicycling decline as they get older?" Active Living Research Conference, Clearwater, FL, February 26-29, 2017.

Jennifer Dill, "Millennials and Cycling" 96th Annual Meeting of the Transportation Research Board, January 8-12, 2017, Washington, DC.

Jennifer Dill, Nathan McNeil, Kenneth Rankins, Joseph Broach, John MacArthur, Steven Howland, "Evaluation Equity Efforts: Better Bike Share," Better Bike Share Conference, Philadelphia, PA, June 23-24, 2016.

Jennifer Dill, Arlie Adkins, Margaret Neal, and Gretchen Luhr, "Demonstrating the Benefits of Green Streets for Active Aging," Association of Collegiate Schools of Planning, Houston, TX, October 22-25, 2015.

Jennifer Dill, "Promotion of Active Transportation among State Departments of Transportation in the US," International Conference on Transport & Health, University College London, London, UK, July 6-8, 2015.

Jennifer Dill, Kelly J. Clifton, Christopher Monsere, and Nathan McNeil, "Measuring and Predicting Behavior Change in Response to New Cycle Tracks, 10th International Conference on Transport Survey Methods Leura, Australia, November 16-21, 2014.

Jennifer Dill "Lessons from the Green Lane: Evaluating Protected Bike Lane Efforts," Pro Walk Pro Bike Pro Place, Pittsburgh, PA, September 8-11, 2014.

Jennifer Dill, "Closing the Gender Gap: The Key to Increasing Cycling in the US." Bicycle Urbanism Symposium, University of Washington, Seattle, WA, June 20-22, 2013.

- Jennifer Dill, "Measuring Transportation Physical Activity: Self-Report vs. GPS." Active Living Research conference, San Diego, CA, February 20-22, 2013.
- Jennifer Dill, Christopher Monsere, and Nathan McNeil, "Evaluating Innovative Bicycle Infrastructure: Lessons from Portland and Washington, DC," Pro Walk/Pro Bike 2012, Long Beach, CA, September 10-13, 2012.
- Jennifer Dill, Liang Ma, and Cynthia Mohr, "The role of the built environment & psychology in bicycling & walking: What matters?" 5th International Conference on Traffic and Transport Psychology, Groningen, The Netherlands, August 29-31, 2012.
- Jennifer Dill, Christopher Monsere, and Nathan McNeil, "Motorists' perceptions of cyclists and cycling infrastructure: US Experiences" 5th International Conference on Traffic and Transport Psychology, Groningen, The Netherlands, August 29-31, 2012.
- Jennifer Dill, "Categorizing Cyclists: What Do We Know? Insights from Portland, OR." Velo-City Global 2012, Vancouver, BC, Canada, June 26, 2012.
- Jennifer Dill, "Travel and TODs: The Role of Attitudes and Other Factors," Association of Collegiate Schools of Planning Annual Conference, Salt Lake City, UT, October 13-16, 2011.
- Jennifer Dill, "Creating a Bikeable City for Kids: Evidence from Portland," ITE Annual Meeting, St. Louis, August 14, 2011
- Jennifer Dill, Cynthia Mohr, and Liang Ma, "The Role of the Built Environment and Psychology on Bicycling and Walking Behavior: What Matters? What Comes First?" Active Living Research Annual Conference, San Diego, CA, February 22-24, 2011.
- Jennifer Dill and Deborah Howe, "Implementation of Active Living Policies by Land Use and Transportation Agencies." Transportation for Livable Communities conference, Transportation Research Board, Washington, DC, October 18-19, 2010.
- Jennifer Dill and Christopher Monsere, "Evaluation of Bike Boxes at Signalized Intersections." Association of Collegiate Schools of Planning Conference, Minneapolis, MN, October 7-10, 2010.
- Jennifer Dill and Christopher Monsere, "Evaluation of Bike Boxes at Signalized Intersections." International Conference on Safety and Mobility of Vulnerable Road Users: Pedestrians, Motorcyclists, and Bicyclists, Jerusalem, Israel, May 30 – June 2, 2010.
- Jennifer Dill and Deborah Howe, "Land Use Innovation: Experiences in the Adoption of Land Use Policies to Promote Active Living." Active Living Research Annual Conference, San Diego, CA, February 9-11, 2010.
- Joseph Broach, John Gliebe, Jennifer Dill, "Development of a Multi-class Bicyclist Route Choice Model Using Revealed Preference Data." 12th International Conference on Travel Behavior Research Jaipur, India December 2009.
- Jennifer Dill and Asha Weinstein, "How to Pay for Transportation? A Survey of Public Preferences." First International Conference on Transport Infrastructure Funding, Banff, Alberta, Canada, August 2-3, 2006.
- Jennifer Dill, "The Impacts of Transit-Oriented Developments on Travel and Transit Use in Portland, OR," Association of Collegiate Schools of Planning 46th Annual Conference, Kansas City, MO, October 2005.
- Jennifer Dill, "Environmental Streamlining of Highway Projects: An Evaluation of Oregon's Efforts," Association of Collegiate Schools of Planning 45th Annual Conference, Portland, OR, October 2004.
- Jennifer Dill, "Smart Growth Transportation Planning in the Portland Region: What's Happening?" National Association of Environmental Professionals, Portland, OR, April 2004.

Jennifer Dill, "Measuring Network Connectivity for Bicycling and Walking," Association of Collegiate Schools of Planning – Association of European Schools of Planning (ACSP-AESOP) Third Joint Congress in Leuven, Belgium, July 2003.

Sy Adler and Jennifer Dill, "The Evolution of Transportation Planning in the Portland Metropolitan Area," Association of Collegiate Schools of Planning – Association of European Schools of Planning (ACSP-AESOP) Third Joint Congress in Leuven, Belgium, July 2003.

Jennifer Dill, "Bicycle Commuting in the U.S.: Evidence from U.S. Cities," Association of Collegiate Schools of Planning, Baltimore, November 2002.

Jennifer Dill, "Land Use and Women's Travel: Exploring Connections," Association of Collegiate Schools of Planning, Cleveland, OH, November 2001.

Jennifer Dill, "Results from a Nationwide Survey of Planning Students," Association of Collegiate Schools of Planning, Atlanta, GA, November 2000.

Jennifer Dill, "Ownership and Use of Older Vehicles: Air Quality and Equity Implications," Association of Collegiate Schools of Planning, Chicago, October 1999.

Jennifer Dill and Steve Beroldo, "Results of a Voluntary Employer Trip Reduction Program," annual meeting of the Association of Commuter Transportation (ACT), 1997.

Invited Presentations and Talks

"Transportation Investments: Alignment with Trends & Needs," (Framing Speaker), TRB-FHWA Emerging Trends Symposium, December 8, 2021.

Keynote address, "The Bikeable City Needs More," 2021 Moving Together Conference, University of Massachusetts, Amherst, December 7-9, 2021.

"Gender and Active Transportation," Gender Justice Work Session, US Department of Transportation, August 5, 2021.

Speaker, City of Bainbridge Island, WA, Sustainable Transportation Education Session: Overview of Sustainable Transportation, January 15, 2021.

Panelist, "Promoting your Research," 99th Annual Meeting of the Transportation Research Board, Washington, DC, January 13, 2020.

Panelist, "Building Strategic Institutional Relationships," TRB Conference on Health and Active Transportation (CHAT), Washington, DC, December 12-13, 2019.

"The Case for Bicycle Boulevards," Workshop, International Cycling Safety Conference, Brisbane, Australia, November 18-20, 2019.

"Relationships between children's and parents' cycling attitudes & behavior," Royal Melbourne Institute of Technology (RMIT), Melbourne, Australia, November 11, 2019.

"Closing the Cycling Gender Gap," Cycling Seminar, Transport, Health and Urban Design (THUD) Research Hub, University of Melbourne, Melbourne, Australia, November 1, 2019.

Keynote address, "A Recipe for a Bikeable City," Bike 2019, Calgary, Alberta, Canada, May 8, 2019.

Keynote address, "Building an Inclusive Cycling City," Bike 2019, Edmonton, Alberta, Canada, May 7, 2019.

Panelist, "Research Initiatives to Advance Mobility and TDM," ACT Emerging Mobility Summit, Austin, TX, April 16-17, 2019.

"Active Transportation for Older Adults," Clark County Commission on Aging, Vancouver, WA, August 21, 2018.

- Panelist, “Beyond Bike Lanes on the Ground,” National Association of City Transportation Officials, Chicago, IL October 31-November 2, 2017.
- Panelist, “Public Communication,” Association of Collegiate Schools of Planning, Denver, CO, October 12-15, 2017.
- Panelist, “Achieving Equity Goals,” North American Bikeshare Association Conference, Chicago, IL, August 30-September 1, 2017.
- Panelist, “What gets measured gets done: Opportunities to develop standardized, comparable national metrics,” Places for Bikes Conference, Madison, WI, June 28-30, 2017.
- Panelist, “University Transportation Center Operations,” CUTC Annual Summer Meeting, Buffalo, NY, June 19-21, 2017.
- “Increasing bicycling for everyday travel: The role of low-stress networks,” Latin American Congress on Urban Cycling, Universidad De Los Andes, RuedaLab, Bogota, Colombia, November 8-9, 2016.
- “Livability on Two Wheels: Increasing Bicycling for Everyday Travel,” Center for Urban and Regional Analysis, Ohio State University, October 27, 2016.
- “Economic Benefits of Cycling,” and “Using GPS to understand how different types of cyclists use infrastructure,” International Cycling Congress, Moscow, Russia, April 21-23, 2016.
- Keynote Address, “Livability on Two Wheels: How to Increase Bicycling for Everyday Transportation,” Second Summer Conference on Livable Communities, Transportation Research Center for Livable Communities, Western Michigan University, Kalamazoo, MI, July 23-24, 2015,
- “From Protected Bike Lanes to Robust Bikeway Networks,” National Association of City Transportation Officials (NACTO) Designing Cities 2014, San Francisco, October 23-25, 2014.
- “Sustainable Communities & Healthy People: A Role for the Bicycle” University of South Dakota Sustainability Series, September 24, 2014.
- “Using GPS and surveys to understand how different types of cyclists use infrastructure,” Canada-Germany Hands On Sustainable Urban Mobility Workshop, Concordia University, Montreal, Canada, June 4-6, 2014.
- Keynote Address, Transportation Planning/Land Use/Air Quality Workshop: Developing Healthy and Livable Communities, Charlotte, NC, March 3-4, 2014
- Panelist, “Travel Characteristics Past, Present, and Future: Communicating Information Derived from National Household Travel Survey,” 93rd Annual Meeting of the Transportation Research Board, January 12-16, 2014, Washington, DC.
- “The Cycling Gender Gap: Why Women Don’t Ride and What to Do About It.” University of New Orleans Transportation Institute, New Orleans, LA, September 19, 2013.
- “Towards Sustainable Urban Mobility: Insights from Portland’s Journey,” Council of State Governments Transportation Policy Academy, Portland, OR, July 18, 2013
- “The Role of Research in Improving Bicycle Safety,” Midwest Regional Bicycle Safety Summit, U.S. Department of Transportation, Minneapolis, MN, April 29, 2013.
- “Gender and Active Travel: Promoting Walking and Cycling by Women” Symposium on Planning Healthy, Sustainable Communities, Rutgers University, April 27, 2012.

- "Multi-Modal Sustainable Transportation Planning in Portland" Shanghai Society of Transportation, Tongji University, Shanghai, China, April 23, 2012.
- "Bicycling Research in Portland, Oregon" KTH Royal Institute of Technology, Stockholm, Sweden, February 6, 2012.
- "The Bicycle-Friendly City: Can it be friendly to drivers, too?" Changing Lanes: Improving the Bike-Car Relationship on Canada's Roads, Canadian Automobile Association, Vancouver, BC, May 25, 2011.
- "Building Capacity for Building Bicycle-Friendly Cities," Healthy Communities Research Forum, University of the West of England, Bristol, England, May 18, 2011.
- "Safe and Convenient Cycling and Everyone," Complete Streets for Los Angeles, sponsored by UCLA, February 25, 2011.
- "Health, Transportation and Bicycling: Connecting the Dotted Lines," University of Vermont, November 17, 2010.
- "Putting Portland's Cyclists Under the Microscope," Cornell University, November 19, 2010.
- "Towards Sustainable Urban Mobility: Insights from Portland's Journey," Ogden Transport Lecture, Monash University, Melbourne, Victoria, August 24, 2010.
- "Putting Portland's cyclists under the microscope," Ridin' on the Edge Symposium, Monash University, Melbourne, Victoria, August 27, 2010.
- "From Spokes to Sprockettes: A History of Women and the Bicycle," Fourth International Conference on Women's Issues in Transportation, Transportation Research Board, Irvine, CA, October 27, 2009.
- "Attitudes toward alternative (including "green") methods of transportation finance: What do voters think?" The Transportation-Land Use-Environment Connection Annual Policy and Research Symposium Series, UCLA Extension Public Policy Program, Lake Arrowhead, CA, October 18-20, 2009.
- "Where for people bicycle? The role of infrastructure," Rand Corporation, February 24, 2009.
- "Green Transportation Taxes and Fees," UCLA, Urban Planning, February 23, 2009.
- "Transit Use at Portland Area TODs," Rail-Volution 2008, San Francisco, CA, October 28, 2008.
- "Where do people bicycle? The role of infrastructure in determining bicycling behavior," ProWalk Pro Bike Conference, Seattle, WA, September 3, 2008.
- "Sustainable Transportation Planning in the Portland Region," China Academy of Urban Planning and Design, Beijing, June 19, 2008.
- "Biking your way to a healthier community," Congressional Bike Caucus, Washington DC, May 15, 2008.
- "Where do people bicycle? The role of infrastructure in determining bicycling behavior," Active Living Research Annual Conference, sponsored by the Robert Wood Johnson Foundation, April 11, 2008.
- "Where do people bicycle? The role of infrastructure in determining bicycling behavior," UC Davis Institute of Transportation Studies, February 22, 2008.
- "Get Smart. Reducing Auto Use through Individualized Marketing," Northwest Transportation Conference, Corvallis, OR, February 5-7, 2008.
- "The Merrick: Transit Oriented Development case study," Invited brown bag talk at Metro, June 21, 2005.

- “Is Your City Connected? The Role of Street Connectivity in Promoting Cycling,” invited keynote speaker, Planning for Bicycles in Regional Transit, Boise State University, Boise, ID, May 5, 2005.
- “What design features promote active living vs. auto living?” (on-air panel discussion) Whole Communities Radio Project, broadcast live on KBOO, April 27, 2005.
- “Understanding and Measuring Bicycling Behavior,” Active Living Research 2nd Annual Conference, sponsored by the Robert Wood Johnson Foundation, Coronado, CA, February 24-26, 2005.
- “Health and Urban Form: Bicycling & Walking in Portland and Beyond,” MURP Alumni Board Faculty Talk, February 8, 2005.
- “The Portland Edge,” panel presentation and discussion with authors, Powell’s Books, January 29, 2005.
- “Network Connectivity for Walking and Bicycling: What’s the Best Measure?” 13th International Symposium on Walking and Bicycling, Pro Walk/Pro Bike, September 7-11, 2004, Victoria, BC.
- “Sustainable Transportation Planning in the Portland Region,” Invited Presentation, Integrating Sustainability into Transportation Planning, National Research Council, Transportation Research Board, Baltimore, MD, July 11-13, 2004.
- “Measuring Network Connectivity for Bicycling and Walking,” Active Living Research Annual Conference, Del Mar, CA, January 30-31, 2004.
- “Land Use and Air Quality Management,” Oregon Chapter of the Air & Waste Management Association, Invited talk, November 13, 2003, Portland, OR.
- “Transportation Pricing as an Air Quality Management Tool: Case Studies of Recent Practice,” Finance: The Critical Link, The Transportation Land Use Environment Connection Policy and Research Symposium Series, Invited talk, UCLA Extension Public Policy Program, October 19-21, 2003, Lake Arrowhead, CA.
- “Educating Decision Makers about Smart Growth,” Oregon Planning Institute, October 3, 2003, Eugene, OR.
- “Evaluating Environmental Streamlining in Oregon,” Annual Meeting of the Standing Committee on the Environment, American Association of State Highway and Transportation Officials, Invited talk, March 31, 2003, Tacoma, WA.

Webinars and Workshops

- “Findings From 15 Years of Travel Surveys At Portland Area Transit-oriented Developments (TODs),” NITC webinar with Nathan McNeil, June 2, 2020. <https://youtu.be/jjiw3KmggOO>
- “Data Analysis for Smarties Who Forgot What They Learned in College,” Transportation and Communities Academy, National Institute for Transportation and Communities (NITC), Portland, OR, September 13, 2018.
- “Survey Design: Asking the Right Questions,” Transportation and Communities Academy, National Institute for Transportation and Communities, Portland, OR, September 13, 2018.
- “Four Types of Cyclists: A National Look,” NITC Webinar, August 11, 2015.
- “Americans' Views of Transportation and Livable Communities,” with Hugh Morris, National Association of Realtors®. NITC Webinar, August 5, 2015. http://youtu.be/sc6btf_AW7E

“Comfort + Convenience = More Women Riding,” with Prof. Susan Handy, UC Davis. League of American Bicyclists, August 29, 2013. <http://bikeleague.org/content/recap-comfort-convenience-more-women-riding>

HONORS, GRANTS, AND FELLOWSHIPS

Awards and Honors (as a faculty member)

Presidential Career Research Award, Portland State University, 2021.

Honorable Mention, Teaching Awards, College of Urban and Public Affairs, Portland State University, 2020-21.

Professional Researcher of the Year, Association of Pedestrian and Bicycle Professionals, 2020.

Dean’s Award for Scholarly Excellence, Senior Faculty, College of Urban and Public Affairs, 2017-18.

William R. and June Dale Prize for Excellence in Urban and Regional Planning, California Polytechnic University, Pnomia, 2015.

Woman of the Year, Women’s Transportation Seminar, Portland Chapter, 2009.

Civic Engagement Award for Excellence in Community-Based Research, Portland State University, 2008.

Emerging Scholar Award, Portland State University, College of Urban and Public Affairs, 2004.

Faculty leader on National AICP Best Student Project in the category of contribution of planning to contemporary issues, 2004

Contracts and Grants at Portland State University

<i>Project title</i>	<i>Funder</i>	<i>Role</i>	<i>Dates</i>	<i>Amount</i>
PacTrans Regional University Transportation Center: Portland State University	US DOT, via University of Washington	PI	2023-28	\$478,575
NCHRP Project 08-149, Estimating Benefits of Closing Gaps in Active Transportation Networks	NCHRP, via Alta Planning+Design	PI (PSU role)	2022-24	\$84,951
Research Roadmap for the AASHTO Council on Active Transportation	NCHRP	PI	2020-21	\$250,000
Active Transportation Return on Investment Study	Metro	PI	2020-21	\$161,727
Metro/ODOT Regional Mobility Policy (RMP) Update: Background Policy Analysis and Best Practices Research	Metro	PI	2019-20	\$16,638
Transit-oriented Development Surveys	Metro	PI	2018	\$34,168

<i>Project title</i>	<i>Funder</i>	<i>Role</i>	<i>Dates</i>	<i>Amount</i>
National University Transportation Center	US DOT Office of the Secretary – Research and Technology	PI	2016-24	~\$16.9 million
Guidebook for Enhancing Pedestrian and Bicycle Connections to Public Transit	Federal Transit Administration (FTA)	PI	2016	\$250,000
Equity Outcomes and Potential for Better Bike Share	People for Bikes	PI	2015-16	\$74,986
FHWA Strategic Agenda for Pedestrian and Bicycle Transportation	Federal Highway Administration, via ICF	PI (PSU role)	2014-15	\$66,759
Status and Needs for Public Transportation in Oregon	Oregon Department of Transportation (ODOT)	Co-PI with Prof. Neal and J. MacArthur	2014-16	\$165,228
Online Implementation Resource of Innovative Bicycle and Pedestrian Facilities	Summit Foundation	PI	2014-15	\$90,295
Transit-oriented Development Surveys	Metro	PI	2014	\$27,357
Understanding Cycling: A National Survey on Transportation, Livability and Housing Preferences	National Institute for Transportation & Communities (NITC) and National Association of Realtors	PI	2014	\$65,993
Multiday GPS Travel Behavior Data for Travel Analysis	Resource Systems Group (FHWA funding)	PI	2013-14	\$32,000
National University Transportation Center on Livable Communities	US DOT Research and Innovative Technology Administration	PI	2013-17	\$7.48 million
Understanding the Transit-Dependent Population	National Institute for Transportation & Communities (NITC)	Co-PI with Prof. Bates	2012-13	\$102,231
Evaluation of Peer-to-Peer Carsharing	Federal Highway Administration (FHWA)	PI	2012-15	\$588,000
Tier 1 University Transportation Center (UTC)	US DOT Research and Innovative Technology Administration	PI	2012-16	\$6.9 million
Innovative Bicycle Facility Research and Analysis	DC Department of Transportation, Kittleson & Associates, Inc.	Co-PI with Prof. Monsere, CEE (PSU role)	2011-12	\$66,768 (PSU portion)
Planning Grant for a Cities Leadership Institute	Summit Foundation	Co-PI with Prof. Ozawa	2011	\$57,755

<i>Project title</i>	<i>Funder</i>	<i>Role</i>	<i>Dates</i>	<i>Amount</i>
Livability Performance Metrics for Transit	Oregon Transportation Research and Education Consortium (OTREC), ODOT, and FTA	Co-PI with Prof. Schlossberg, Univ. of Oregon	2010-13	\$128,883 (PSU portion)
Increasing Bicycling for Transportation: The Role of Cyclist Type and Infrastructure	OTREC	PI	2010-12	\$249,008
The Effects of Traffic Calming Bicycle Boulevards on Physical Activity and Active Transportation	Active Living Research, a program of the Robert Wood Johnson Foundation (RWJF)	PI	2010-13	\$399,836
TOD Resident Surveys	Metro	PI	2010	\$21,010
Incorporating New Data Needs into Travel and Activity Surveys	OTREC	Co-PI with Prof. Agrawal, San Jose State University	2009-10	\$39,195
Demonstrating the Benefits of Green Streets for Active Aging	US Environmental Protection Agency	Co-PI with Prof. Neal	2009-10	\$100,000
Evaluation of Bike Boxes at Signalized Intersections	OTREC and City of Portland	Co-PI with Prof. Monsere	2008-10	\$92,130
Implementation of Active Living Policies by Transportation Agencies and Departments	OTREC	Co-PI with Prof. Howe, Temple Univ.	2008-10	\$119,317
Rural Transit in Oregon: Current and Future Needs	Association of Oregon Counties (AOC), ODOT	Co-PI with Prof. Neal, PSU	2008-09	\$45,000
Long term evaluation of individualized marketing programs for travel demand management	OTREC and City of Portland	Co-PI with Prof. Mohr, PSU	2007-09	\$128,258
Evaluation of Regional Travel Options Program, 2004-05, 2005-06, and 2007-08	Metro	PI	2006-09	\$89,794
Transforming Land Use Regulations to Create Livable Communities that Support Physical Activity in Everyday Life	Active Living Research, RWJF	Co-investigator with Prof. Howe (PI)	2007-09	\$200,000
Needs, Costs, and Funding Alternatives for Elderly and Disabled Transportation Services in Urban and Rural Oregon	AOC and ODOT	Co-PI with Prof. Neal, PSU.	2008-09	\$210,000
Understanding and Measuring Bicycling Behavior: A Focus on Travel Time and Route Choice	OTREC	PI	2007-08	\$59,968
Initiative for Bicycle and Pedestrian Innovation	OTREC	PI	2007-08	\$20,000

<i>Project title</i>	<i>Funder</i>	<i>Role</i>	<i>Dates</i>	<i>Amount</i>
Transportation Financing Opportunities for the State of California	Mineta Transportation Institute, San Jose State University	PI	2005-06	\$39,971
Analysis of Transit Use at Merrick TOD	Metro	PI	2005	\$3,433
Estimating the Impacts of TODs on Travel and Transit Use	TransNOW	PI	2004-05	\$19,404
Understanding and measuring bicycling behavior: Implications for urban planning, health, and research	Active Living Research, RWJF	PI	2004-06	\$99,924
Understanding the Relationships between the Built Environment, Travel, and Physical Activity in the Portland Region	PSU Faculty Enhancement Grant	PI	2004-05	\$7,784
Addition of Street Connectivity and Land Use Characteristics Data to the 2001 California Health Interview Survey	National Cancer Institute/National Institutes of Health	PI	2004	\$13,280
Measuring Connectivity for Bicycling and Walking	Active Living Policy and Environmental Studies, RWJF	PI	2003-04	\$51,824
Transportation-Land Use Connections –Workshops for Planning Commissioners	ODOT and Department of Land Conservation & Development	PI	2003	\$40,000
Evaluating Environmental Streamlining at ODOT (Phase II)	Oregon Department of Transportation	Co- Investigator, Prof. Ozawa, PI	2002-04	\$100,000
Impacts of a Vehicle Inspection Program on Vehicle Operations and Equity	TransNOW and ODOT	PI	2002-04	\$60,000
Evaluating the Travel and Activity Impacts of New Urbanist Development	PSU Faculty Enhancement Grant	PI	2002-03	\$5,288
Total, Research Projects: \$5.78 million				
Total, University Transportation Centers: \$31.76 million				

Other Funded Research Projects

Paving the Way: Recruiting Students into the Transportation Profession. Co-investigator with Dr. Asha Weinstein Agrawal, San Jose State University. Funded by the SJSU Mineta Transportation Institute. 2006-08.

Public Support for Environmental Transportation Taxes and Fees: A Survey of Californians. Co-investigator with Dr. Asha Weinstein Agrawal and Dr. Hilary Nixon, San Jose State University. Funded by the SJSU Mineta Transportation Institute, 2007-08.

TEACHING, MENTORING AND CURRICULAR ACHIEVEMENTS

Teaching at Portland State University

Research Design II, formerly Urban Studies Research Seminar (USP 697), Fall 2011 to Spring 2015, Spring 2022, 2023

Planning Methods II (USP 535), Winter 2006 to 2013, 2015, 2019, 2021-2023

Data Collection (USP 532), Spring 2019, 2021

Pedestrian and Bicycle Planning (USP 465/565), Fall 2012 to Fall 2014

Introduction to Urban Planning (USP 311), Fall 2001 and Spring 2002

Planning Theory Seminar (USP 507/607), Winter 2002

Urban Transportation: Problems and Policies (USP 456/556), 2002 to 2012, 2014 to 2015

Urban Transportation Planning (USP 544), 2002 - 2004

Planning Analysis (USP 533), 2002 - 2004

Transportation and Land Use (USP 570/670), 2005 to 2008, 2019

Transportation Seminar (USP 414/514), multiple terms.

Teaching at University of California, Berkeley

Introduction to Urban and Regional Transportation – CRP 114 (undergraduate), Spring 2000 and 2001

Ph.D. Dissertation Committees***Completed-Chair***

Kelly Rodgers, *The Use and Influence of Health Indicators in Municipal Transportation Plans*, Urban Studies, Spring 2023.

Tara Goddard, *Drivers' Attitudes and Behaviors Toward Bicyclists: Intermodal Interactions and Implications for Road Safety*, Urban Studies, Spring 2017.

Joseph Broach, *Travel Mode Choice Framework Incorporating Realistic Bike and Walk Routes*, Urban Studies, Fall 2015

Arlie Adkins, *Determinants of Recent Mover Non-work Travel Mode Choice*, Urban Studies, Summer 2014

Liang Ma, *The Objective vs. the Perceived Environment: What Matters for Active Travel*, Urban Studies, Summer 2014

Oliver Smith, *Peak of the Day or the Daily Grind: Commuting and Subjective Well-Being*, Urban Studies, Spring 2013

Lynn Weigand, *Active recreation in parks: can park design and facilities promote use and physical activity?*, Urban Studies. Summer 2007

Completed-Committee Member

Jaime Orrego Onate, Civil Engineering, Summer 2022.

Huajie Yang, Urban Studies, Winter 2021

Steven Howland, Urban Studies. Spring 2020

Wei Shi, Ph.D., Urban Studies, Spring 2020

Patrick Singleton, Civil & Environmental Engineering, Spring 2017

Gretchen Luhr, Urban Studies, Winter 2017

Steven Gehrke, Civil & Environmental Engineering, Winter 2017

Allison Duncan, Urban Studies, Spring 2016

Alexander Bigazzi, Civil & Environmental Engineering, Fall 2014

Nicole Iroz Elardo, Urban Studies, Spring 2014

Charles Santo, Ph.D., Urban Studies, Fall 2005

In progress

Nicholas Puczkowskyj Urban Studies. Dissertation Chair, Advanced to candidacy, Spring 2022

Kyuri Kim, Urban Studies. Dissertation Chair, Advanced to candidacy, Spring 2022.

Minju Kim, Urban Studies. Dissertation Chair, Advanced to candidacy, Fall 2022.

Masters Thesis Committees (completed)

Chair

Christopher Johnson, Urban Studies, Winter 2021.

Michael Harpool, Urban Studies, Spring 2018.

Tessa Walker, Urban Studies, Spring 2013.

Committee member

Nicholas Foster, Master of Civil Engineering, 2014.

Chris Muhs, Master of Civil Engineering, 2013.

Field Area Paper (MURP) Primary Reader

Dana Dickman

Joe Recker

Tomoko Kanai

Delia Chi

Sumi Malik

Erin Wilson

Michael Tresidder

Matt Lasky

Jason Renkens

Morgan Shook

Carolyn Bonner

Keith Benjamin

David E. Moser

Michael Hoffman

Michael Rose

Dan Bower

Shayna Rehberg

Darren Muldoon

Kerri Sullivan

Theresa Carr

Mauricio LeClerc

Field Area Paper (MURP) Second Reader

Emily Hughes, Dan Marchand, Shannon Axtell, Ethan Spoo, Shimon Israel

External Ph.D. Examiner

Zheyang Chen, Utrecht University, 2022.

Meredith Glaser, University of Amsterdam, 2021

Elizabeth Rubie, Queensland University of Technology, 2021

Marilyn Johnson, Monash University, 2011.

COMMUNITY OUTREACH ACHIEVEMENTS

Board of Regents, Eno Foundation, 2019-present.

Trustee, TransitCenter, 2016-present. Secretary, 2023-present.

Member, Mayor's Transportation Cabinet, City of Portland, Mayor Sam Adams, 2009-2012.

Speaker, City of Portland Transportation Safety Summit, October 6, 2008.

Advisory Committee Member, City of Portland Bicycle Master Plan Update, 2007-2010.

Speaker, PSU Weekend, 2004, 2007 and 2011.

Speaker, Pedestrian Summit, Portland, OR November 2004.

Member, Advisory Cabinet, Bicycle Transportation Alliance, Top 40 List project, 2004.

GOVERNANCE ACTIVITIES FOR THE UNIVERSITY

Portland State University

Presidential Council on Engagement and Community Impact, 2022-23.

Search Committee, Dean, Maseeh College of Engineering and Computer Science, 2021-22.

Co-chair, Search Committee, Provost and Vice President of Academic Affairs, 2017-18.

Search Committee, Vice President of Research and Strategic Partnerships, 2016-17.

Search Committee, Vice President of Research and Strategic Partnerships, 2010.

Faculty Senate, 2003-2006; 2007-2008, 2010-2012.

Graduate Education Committee, 2003-2004.

PSU College of Urban and Public Affairs

Strategic Planning Council, 2014-15.

Dean's Promotion and Tenure Committee, PSU, 2013-14.

Futures Committee, 2013-14.

Curriculum Committee, 2004-05.

PSU Toulon School of Urban Studies and Planning

Belonging, Dignity, and Justice Committee, 2022-23.

Faculty Evaluation Committee, 2006-07; 2012-13, 2018-19, 2020-21, 2021-22.

Faculty Search Committees (6), 2002-3, 2005-6, 2010-15 (chair of four).

MURP Admissions Committee, 2001-2007, 2012-14. Chair of committee for 2004-07.

MURP Executive Committee, 2007-08, 2014-15, 2018-2022 (chair in 2020-21, 2021-22), 2023-current.

Urban Studies Executive Committee, 2009-2012.

PROFESSIONALLY-RELATED SERVICE

Professional Committees

Chair, 7th International Women and Gender in Transportation conference, Transportation Research Board, to be held Fall 2024, 2022-present.

Member, Peer Review Expert Panel, FHWA Mobility Trends and Future Demand study, 2022-present.

Member, Rulemaking Advisory Committee, Commute Options Program, Oregon Department of Environmental Quality, 2022-present.

Member, Doctoral Committee. Association of Collegiate Schools of Planning (ACSP), 2022-present.

Member, Commodities Movement Study Stakeholder Advisory Committee, Metro, January 2022-present.

Member, Research Advisory Committee. Oregon Department of Transportation, December 2021-present.

Panel Member, Behavioral Traffic Safety Cooperative Research Program (BTSCR) Equity in Pedestrian and Bicyclist Mobility, Safety, and Health: The Impact of Racial Bias, BTS-21, 2021-present.

Member, Conference Organizing Committee, World Symposium on Transport and Land Use Research (WSTLUR), Portland, OR (Virtual), August 2021.

Member, Board of Advisors, UC Davis Institute of Transportation Studies, 2017-present.

Member, TRB Committee on Women and Gender in Transportation, 2016-present.

Member, TRB Safety and System Users Group, Transportation Research Board, National Academy of Sciences, 2013-2019.

Co-Chair, Active Living Research Conference, Banff, Alberta, Canada, 2017-2018.

Member, Planning Committee for Advancing Obesity Solutions through Investments in the Built Environment and Transportation: A Workshop, National Academies of Sciences, 2017.

Chair, Planning Committee, University Transportation Center 2016 Spotlight Conference.

Member, Executive Committee, Council of University Transportation Centers (CUTC), 2015-2017.

Member, Conference Steering Committee, Moving Active Transportation to Higher Ground: Opportunities for Accelerating the Assessment of Health Impacts, Transportation Research Board and American College of Sports Medicine, 2014-15.

Member, TRB Committee for Study of Innovative Mobility Services, Transportation Research Board, National Academy of Sciences, 2014-15.

Member, Regional Plan Project Evaluation Criteria Expert Panel, San Diego Association of Governments, 2013.

Member, TRB Task Force ABJ45T, Task Force on Understanding New Directions for the National Household Travel Survey, Transportation Research Board, National Academy of Sciences, 2011-2014.

Member, NCHRP Panel 08-136 The Role of Planning in a 21st Century Transportation Agency, National Cooperative Highway Research Program (NCHRP), Transportation Research Board, National Academy of Sciences, 2011-2014.

Member, TRB Committee on Transportation Demand Management (ABE50), Transportation Research Board, National Academy of Sciences, 2011-2017.

Member, NCHRP Panel 07-19, Methods and Technologies for Collecting Pedestrian and Bicycle Volume Data, 2012-2014.

Member, Research Advisory Committee, Velo-City Global 2012 conference, 2011-2012.

Chair, NCHRP Panel 08-78, Estimating Bicycling and Walking for Planning and Project Development, National Cooperative Highway Research Program (NCHRP), Transportation Research Board, National Academy of Sciences, 2009-2014.

Member, External Advisory Committee, UC Davis Sustainable Transportation Center, 2008-2012.

Member, Advisory Committee, Travel Reduction Attainment Via Energy-efficient Localities PLANning (Travel Plan Plus), Loughborough University, 2009-2011.

Member and Chair, Review Committee, Edward McClure Award for the Best Master's Student Paper, Association of Collegiate Schools of Planning, 2005-2010

Member, Transportation Research Board Committee on Bicycle Transportation (ANF20), 2003-2014; Chair of committee 2006-2012.

Panel Member, NCHRP Project 20-81 - Challenges and successes in attracting and retaining a skilled transportation workforce, 2008-2010.

Member, Technical Advisory Group, Transportation Corridors research project, UC Berkeley. PI: Prof. Elizabeth Macdonald, 2008-09.

Expert Panel Member, California Department of Housing & Community Development (HCD) and Caltrans, Transit Oriented Development (TOD) Program, 2007.

Member, Planning and Economic Analysis Expert Task Group, Oregon Department of Transportation Research Program, 2005-2012.

Member, Oregon Household Activity Survey Subcommittee, Oregon Modeling Steering Committee, 2004-2009.

Member, Executive Committee, Association of Collegiate Schools of Planning, 1998-2000.

Member, Technical Advisory Committee, California Air Resources Board, *Land Use/Transportation Strategies to Minimize Motor Vehicle Emissions: An Indirect Source Research Study*, 1995.

Other Professional Service

Handling Editor, *Transportation Research Record*, 2019-present

Co-editor, WSTLUR Special Issue, *Journal of Transportation and Land Use*, 2021-2022

Co-editor, Special Issue on Travel and Well-Being, *Journal of Transport and Health*, 2019-20.

Editorial Board

Journal of Transport and Health, 2013-present.
